

Council Action

In an effort to increase awareness and understanding, this publication was created to detail and explain the actions of the Vandalia City Council. We hope this promotes a better understanding of the role Council plays in keeping Vandalia a great place to live, work and play.

Council took the following actions at the Monday, February 17 meeting:

- ✓ Approved Resolution 20-R-08, authorizing the purchase of two cot lifting systems for Medics 1 & 2. The cot lifting system completely automates the lifting of the patient during the patient loading process, improving the safety of both the patient and the staff member. The cost for the purchase and installation of the two cot lifting systems is \$58,000.
- ✓ Approved Resolution 20-R-09, authorizing the purchase of 15 sets of firefighter protective clothing for \$30,975. Three new sets of gear are required for the three new firefighter positions that were recently approved and the remaining sets will serve as replacements for existing personnel.
- ✓ Approved, as an emergency, Ordinance 20-03 assessing properties for delinquent accounts related to weed cutting, storm water, trash collection, sewer and water.

The next regularly scheduled Vandalia City Council meeting will be held in the Vandalia City Council Chambers, 333 J.E. Bohanan Drive, on Monday, March 2, at 7pm.
