LAND FITNESS CLASS DESCRIPTIONS

B-Step– This fun class uses the step and BOSU for a total body strength and cardio workout!

Yoga Core - Improve your core strength through a variety of core exercises and increase your flexibility through Yoga, Pilates and dynamic stretching all in one class.

Cardio Circuit –This power circuit workout in the gym is done in interval segments that will make your body sweat and get your muscles toned through strength exercises. Cardio will change each week to challenge your body!

Cycle Plus - Experience an intense ride on the bike for half the class then the instructor will switch it up by adding strength, core and flexibility movements targeted to strengthen and challenge your entire body.

Cardio Physique – This advanced class exercises several muscle groups together as you squat, lunge, and lift while challenging balance and control. Feel your entire body transform!

Total Body– Improve overall muscular strength and cardio through various exercises using a multitude of equipment and techniques. Classes will change each week!

Yoga– **Bring your Yoga mat!** Yoga uses postures to enhance flexibility. Yoga can reduce stress, provide mental relaxation, and provide focus.

Zumba®- Join the party with this upbeat aerobic class put to modern Latin and non-Latin music. Zumba Circuit is an interval style class that uses Zumba routines and weight training exercises. Zumba in Motion combines cardio and weight intervals set to motivating music routines!

POUND® - A cardio jam session inspired by the energizing fun of playing the drums! You won't just listen to incredible music—you'll become the music in this exhilarating, full-body workout that combines conditioning and strength training. This can be done sitting in a chair or standing.

Bootcamp - A class full of challenging body weight exercises, cardio drills and strength training! Be prepared for a fun and intense workout that keeps you guessing each week!

HIGH Fitness - Aerobics meets modern day HIIT Training. A sweaty blast! Nostalgic and fun music from all decades and genres that will motivate you to the max. Simple and easy to follow choreography. Interval training moves: tuck jumps, burpees, jump squats. Take it HIGH or take it low! Modifications will be shown throughout entire class to accommodate ALL fitness levels. An energetic, fun, inspiring, and welcoming environment that will have you leaving class wanting more!

High LOW - A low impact aerobics class! This action packed, full-body blast will challenge you all while keeping it LOW. HIGHLow uses cardio and toning tracks choreographed with simple fitness moves for a fun, effective fitness class!

LIFT - Are you ready for a challenge?! A full body class incorporating weights and bodyweight with the intention to build strength and tone all muscle groups. Low impact and adaptable to all fitness levels.

WATER FITNESS CLASS DESCRIPTIONS - NO SWIMMING SKILLS REQUIRED

Combo H2O – This class will provide a complete cardiovascular workout, as well as provide stretching, strength training, and aerobic

Cardio Splash – Use the resistance of the water to improve cardiovascular fitness, endurance and strength. Depending on your level you can choose to either be in the deep area or shallow area of the pool during class.

Power Splash – This class will help you step it up a notch with cardiovascular drills, strength training moves, and more! If you are looking for a fun water workout, this is a great class to add to your routine!

Cardio H2O – This class will help you reach your fitness goals through routines that challenge the cardiovascular system and your
