5th Vandalia "Art Parked" Sculpture Exhibit 2019-20

The Public Art in Vandalia Committee with additional support from the Vandalia Cultural Arts Program are excited to present the 5th Annual Vandalia "Art Parked" Sculpture Exhibit 2019-20 a free outdoor sculpture exhibit on display through April, 2020 at the Vandalia Art Park. Midwest Sculpture Initiative (MSI) provided the eight sculptures for this year-long exhibit.

The Leased Sculptures are FOR SALE....

Do you see a sculpture you would like to own? The eight MSI pieces are for sale and a portion of each sale will go toward funding of future exhibits. Contact MSI for more information, 517-486-4591. MSI's mission is to provide outdoor sculpture exhibitions throughout the Midwest, promote cooperation among art and civic organizations, advance the role that the visual arts play in the quality of life and increase economic development.

Sculpture Benches in the Park – Artist Todd Frahm, Asheville, North Carolina (Bellwether Sculptor from Chiseled 2010) has carved 6 limestone benches which are permanent additions to the park. Two benches were part of a mini-symposium sponsored by VCAP, PAIV and the Ohio Arts Council in 2017. Four benches in the park were individually sponsored.

Vandalia Cultural Arts Program (VCAP)

Established to exclusively benefit the City of Vandalia and its residents by providing revenue to support artistic and cultural activities, programs, performances, and organizations, or for other purposes as determined by Vandalia City Council and the Advisory Committee. Funds are held by the Vandalia-Butler Foundation.

Committee: Vandalia Cultural Arts Committee is a volunteer organization of seven members, appointed by the Vandalia City Council, whose mission is to advise on the distribution of funds and promote the mission of VCAP.

Public Art in Vandalia Program (PAIV)

Enhances neighborhoods and urban environments in the City of Vandalia through the installation and maintenance of permanent works of art. PAIV welcomes and embraces public art from the community—donated, loaned or commissioned in an effort to grow Vandalia's public art collection. Funds are held by the Vandalia Butler Foundation.

Committee: Public Art in Vandalia Committee is a volunteer organization of seven members, appointed by Vandalia City Council. The PAIV Committee works in an advisory capacity for the planning, site and artists selection, fabrication and implementation of the program. This Committee shall also serve within the community as advocates for public art.

VANDALIA ART PARK

256 E. Alkaline Springs Road, Vandalia, Ohio

As one of the City of Vandalia's most diverse amenities, Vandalia Art Park features an eight-acre walkable art trail and open green space. Adjacent to the Vandalia-Butler Historical Society grounds--accessible via the Vandalia Rotary footbridge--the regional destination is free to the public, offering visitors equal tastes of nature, art and history. Various activities and art initiatives take place in the park throughout the year, enhancing three substantial permanent sculptures plus two annual exhibits. Permanent features at the park:

"At Play in Geologic Time" - by Matthew Weir

"Chiseled" Limestone Symposium 2010

"Daddy Longlegs" by Dave Vande Vusse

Painted Metal Sculpture—Purchased by PAIV & VCAP in 2015

Mosaic Entry Totems—Community Project 2015

"Blade Runner " - by Doug Benedict

Vandalia's "Heavy Metal Remix" Community Project 2016

Limestone Benches (6) - Individually Commissioned from Todd Frahm
